

January 2024 Mission Briefing

Your Mission, Should You Choose To Accept It!

Secret Mission Focus Of The Month – **FIRST RESPONDERS**

This month GSSA Headquarters secret mission target is **FIRST RESPONDERS!**

First Responders are police officers, fire fighters, emergency medical technicians (EMTs), and paramedics who respond and provide help to others when there is an accident or emergency in our homes, on the road, or anywhere in our community. They work to help and protect our lives and property during medical emergencies, fires and natural disasters. They even help us find or rescue our beloved pets that wander away from home.

These men and women serve our community with quiet strength, kindness, compassion, perseverance and bravery. They often work long hours and sacrifice their own safety to help people in need.

So GSS Agent, your mission this month, should you choose to accept it, is to secretly honor our hometown superheroes by showing your appreciation for their dedication and service to your community.

You can choose to complete one of the secret missions/acts of kindness from the list below this month, or come up with one of your own. And, don't forget to also report your secret mission accomplished on the "Mission Accomplished" page on the GSSA website.

And as always, if you are captured conducting your secret mission of kindness, instead of disavowing your actions, God, your Commander, will rescue you and shower you with abundant blessings and eternal life.

Place a note of encouragement or thanks on the windshield of a parked police vehicle.

Send a note of thanks and a gift card for a coffee shop to your local fire station.

Drop off a cake or cookies to an emergency rescue squad.

Order and send pizza to a first responder family.

Whenever you pass or hear first responders on the road, pray for their safety.
