## THE KINDNESS KOALITION

*Non-Profit Organizations Working Together to Amplify and Spread Kindness in the World!*

### ABOUT US:

#### OUR STORY

Our founders recognized the need for small nonprofit organizations working to spread kindness in the world to join together and support each other however we can to achieve our collective goal of making the world a kinder and better place. We are willing to take the lead to coordinate Koalition meetings and periodically provide mini-grant funding to Koalition members to support kindness initiatives.

#### OUR VISION

We aspire to create a harmonious and interconnected world where acts of kindness bridge divides, inspire positive change, and empower individuals to contribute to a brighter and more positive future. Through collaborative efforts, we aim to elevate kindness as a universal language that unites us all, fostering empathy, understanding, and a shared commitment to making the world a better place for everyone.

#### OUR MISSION

Bring together diverse non-profit organizations united by a shared vision: to cultivate a global culture of kindness, compassion, empathy, generosity and goodwill. By combining our strengths, resources, and expertise, we aim to inspire individuals, communities, and institutions to prioritize acts of kindness that will help create a ripple effect that transforms lives and creates meaningful positive change in the world.
