

July 2023 Mission Briefing from GSSAHQ

Your Mission, Should You Choose To Accept It!

Secret Mission Focus Of The Month – **CHILDREN AND YOUTH**

Hello GSS Agents!

This month GSSA Headquarters secret mission targets are CHILDREN AND YOUTH!

When we refer to Children and Youth, we mean children and young people under the age of 21. Although childhood should be a happy carefree time for this age group, life can also be tough for children growing up in our society. Children and youth often face a variety of pressures such as peer pressure, academic pressures, social media pressures and family pressures that can negatively affect their mental health and well-being.

Your mission this month, should you choose to accept it, is to secretly do a small act of kindness to help a child or youth cope with the pressures they face and promote a positive and supportive environment that nurtures their growth and development.

You can choose to complete one of the secret missions/acts of kindness from the list below this month to help a single parent, or think of one of your own. And, don't forget to also report your secret mission accomplished on the "Mission Accomplished" page on the GSSA website.

As always, if you are captured conducting your secret mission of kindness, instead of disavowing your actions, God, your Commander, will rescue you and shower you with abundant blessings and eternal life.

Send coloring books and puzzles to a hospital for sick children.

Pay for a needy child to go to summer camp, water park or other event.

Secretly send a teenager a note of encouragement and a movie gift card big enough to bring a friend along.

Secretly bake or deliver a “You are Loved” cake to the home of a Teen.
