

June 2023 Mission Briefing from GSSAHQ

Your Mission, Should You Choose To Accept It!

Secret Mission Focus Of The Month – **SINGLE PARENTS**

This month GSSA Headquarters secret mission targets are **Single Parents**.

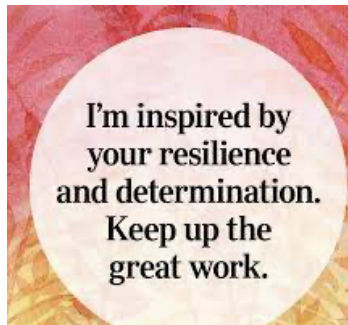

A single parent is a person who is raising a child or children alone, without the support of a partner or spouse. Single parents often face unique challenges in raising their children, including financial pressures, lack of support and resources, and the demands of juggling parenting and other responsibilities on their own.

Your mission this month, should you choose to accept it, is to secretly do a small act of kindness to help make the life of a single parent better.

As always, if you are captured conducting your secret mission of kindness, instead of disavowing your actions, God, your Commander, will rescue you and shower you with abundant blessings and eternal life.

You can choose to complete one of the secret missions/acts of kindness from the list below this month to help a single parent, or think of one of your own. And, don't forget to also report your secret mission accomplished on the "Mission Accomplished" page on the GSSA website.
